

THE HÅG MOVEMENT

HÅG's mission is to give movement and variation to the workplace. HÅG products stimulate intuitive and natural movement of the body and variation of sitting postures leading to improved health and productivity.

HÅG Capisco Puls

- Made for greater freedom of movement, variation and natural sitting positions
- Gives you an upright sitting posture and a natural curvature in your lower back
- Makes it easy to sit actively with a semi-standing position
- Perfect for shifting between sitting and standing with a height-adjustable desk
- Adjustable seat height, seat depth, back height, backward tilt resistance and lockable tilt

Design: Peter Opsvik. Patent- and design protected.

QUALITY

10-year guarantee:

HÅG provides a ten-year guarantee against production defects on all office chairs that are in normal use for up to 9 hours per day.

Certifications:

- Tested in accordance to EN 1335 Class A, ANSI/BIFMA X5.1, EN 16139 and GS mark
- Scandinavian Business Seating is certified by DNV-GL according to ISO 9001

Maintenance:

Vacuum clean the chair with a furniture brush or wipe it with a clean, white cloth or sponge slightly dampened with clean lukewarm water. Do not remove any plastic parts or attempt to open the seating mechanism. Contact your Scandinavian Business Seating dealer if the chair requires servicing or maintenance.

Cleanroom:

Evaluation of particle generation from chair used in clean room is performed. The chair satisfies ISO 14644 Class 4 and 5. Only approved with black anti-static vinyl.

Fire safety information

- CMHR foam (fire resistant foam) is available on request, but must be specified at time of order and adds approximately two to five weeks to delivery lead times. CHMR foam must be specified on chairs intended for domestic use.
- HÅG Capisco Puls is BS 5852 Crib 5 and Cal/TB 133 approved.

HÅG

ENVIRONMENT

- Low carbon footprint at 31 kg CO₂ equivalents
